Azure Tech

BRAND SAFETY&AD FRAUD PROTECTION

With BidsCube's comprehensive approach to quality, ensure your advertisers and campaigns run in a brand-safe environment.

We provide complete protection for all participants in the chain for free: we check 100% of traffic using advanced scanners, while our account managers manually recheck all traffic and creatives.

We work with trusted industry leaders from ad scanners, and on the product side, we offer out-of-the-box integrations with many platforms to give our customers an ultimate choice.
